SCHOOL COUNCIL APPROVAL  
FRIDAY, 18TH SEPTEMBER  
STUDENTS DISMISSED AT 2.30P.M.**

**FROM THE PRINCIPAL**

The last two weeks has made me realise how great a school we have. Some of the programs that we have implemented this year are allowing our students to shine.

- ◆ In the Grade Prep/1 with Mrs. McLennan and Mrs. Kirby the students are very excited with their shops in Numeracy. They have been very busy organising their shops and also involved in the fun of purchasing.
- ◆ In the sewing elective, students have started sewing shopping bags together for the Prep/1 students. Mrs McLennan and Krista Wilson have done a great job organising this new elective for the students.
- ◆ The drama /singing elective has begun and Miranda Donald is working with the students to present a performance at the Forestry Fiesta.
- ◆ The standard of writing and work from the students has certainly lifted this term and a real focus on excellence has enabled the students to work harder and achieve their best.
- ◆ The students from Grade 2-6 in Art have been working with Karen Morley on the mosaic to go above the drinking taps. The mosaic supplies have been proudly donated by Bendigo Bank.
